Amplar Health
Support at Home – Clinical Care Pathways price list

Effective **18 September 2026**.

Amplar Health's 12-week clinical care pathways have been designed to be tiered by clinical intensity and individual needs. Led by our clinical teams, our pathways integrate multidisciplinary expertise and are delivered with oversight and regular review by a clinical care coordinator to ensure holistic support. We focus on measurable improvement using validated tools such as the FRAT, DEMMI, CFS, and EQ-5D-5L.

Please note: Pricing includes travel, reporting and administration.
